From A21 highway Felizzano exit, than turn right**

We are situated near the exit of Felizzano, on the motorway Torino - Piacenza. The farm is set in the plain of Monferrato, in Piedmont, near the river Tanaro, a large and ancient rural court. We offer for accommodation two apartments with two and four seats and four bedrooms, some with their own bathroom. Guests have a porch with barbecue wood oven and a small pool. A few kilometers, there are swimming pools, tennis courts, volleyball and golf. Our company is proud to be certified for organic farming since 2001 and has built a laboratory for the production of organic products, certified BIOS tajarin and stone-ground wheat flour. Nearby you can visit ancient castles, and cities of Asti and Nizza Monferrato. In the summer in neighboring villages is a lot of local festivals and fairs, where you can sample local food and dance outdoor.
